

Hello, I'm Aisha Patel, reachable at aisha.patel.test@email.com or 99887 66554, currently based in Ahmedabad. I have close to 9 years of experience as an Android developer. I currently work at Skyline FinServ since January 2019 as a Senior Android Developer, where I lead a small team building secure banking features using Kotlin, Jetpack Compose, and Clean Architecture, integrate biometric authentication and SSL pinning for security, use Dagger/Hilt for dependency injection, and mentor two junior developers on the team. Before that, I worked at AppNova Labs from 2016 to 2019 building e-commerce apps in Java with MVP architecture and Retrofit for networking. My skills include Kotlin, Java, Jetpack Compose, MVVM, Clean Architecture, Dagger, Hilt, Retrofit, Room Database, SSL Pinning, JUnit, Espresso, and Git. I did my B.Tech in Computer Engineering from Gujarat Technological University in 2016.
